JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact support@jstor.org.

emplified in all the profile drawings I have seen of the Australians; for the face is often but little more salient than in the European, while every other characteristic partakes largely of the Negro.

Meeting for Business, Nov. 25, 1845.

VICE PRESIDENT MORTON in the Chair.

The Society, after receiving reports of committees, and transacting some other business, proceeded to ballot for members, when

Mr. Samuel W. Woodhouse, of Philadelphia, was duly elected.
